## Blessings and Reflections of the Lord's Faithfulness

Some 15 years ago, Deb and I started praying whether God would have us go back into business. We had been in business many years prior and since then had worked for 2 other repair shops. The questions were whether this was God's plan for our lives and would we be able to give Him His rightful ownership of the business. The answers were not as clear as we had desired, but we decided to take a step of faith and proceed to move forward. The more we investigated into this pursuit, the more God's plan became evident. We have now been managers of His business for some 13.5 years and enjoyed God's presence and provision during this time. God has allowed us to serve Him by serving others. We have embraced and enjoyed our relationship with every one of you and feel that we have been blessed by all your love and support. We now have decided to step down from the leadership of Moberg's Automotive effectively July 1st, 2017. We feel good closure and God's blessing as we hand over the helm to a very qualified and gifted individual.

Allow me to introduce Mike Abella. Mike is a very knowledgeable, gentle spirited, and committed person. His expertise is matched with an approachable and relationally driven personality. His mechanical experience is made up of 26 years of dealership and independent shop employment and training. He is a committed Christian who is actively serving God in his church, supports those in need, and embraces God's great commission.

For the next year, business at Moberg's will be conducted as it has been in the past with little or no changes at all. Mike will be learning the financial end of the business as I continue to manage the everyday activities. Continuing in the second year, I will be pairing my involvement to a part time position as Mike assumes more of the management role. We trust that you will experience the same quality service, with the utmost integrity, as you have known for these many years. We pray that each of you will give him the same respect and trust that you have placed in us. We rest in God's plan as we now pass the baton to His chosen servant.

From the start of this season of our lives, we have been blessed by God's provision, direction and presence. God has allowed us to enjoy very meaningful relationships with each of you which we will treasure forever. We now pray that we will know God's pleasure as we continue to run the race that He has set before us. Our desire is to hear "Well done good and faithful servant." I now close with 2 meaningful Bible passages that we have embraced from the start to now our finish.

Matthew 20:28

"For even the Son of Man came not to be served but to serve and to give His life as a ransom for many."

2 Timothy 4:7

"I have fought the good fight, I have finished the race, I have kept the faith."

God's thankful servants,
